Well, here it is, just what you have been waiting since early June!

The July issue of the BERLEY BULLETIN.

And just what do we have as news, well it certainly looks like we are a hopeless bunch of fishos', knocked off by a junior at the Golden Beach Comp. Anyway, well done Dean.

Speaking of Golden Beach, apart from the fish giving it a miss we all had a good time, it was well attended and it was good to see three of the younger juniors attend. TK's spit roast on the Saturday night was really something not to be missed, thanks TK, and he was ably assisted by a Marge Simpson look-a-like, where did you get that beanie Rick?

Barras Babble

Our surf comp. To Golden Beach was well attended with 12 members (senior, junior and visitors) going for the weekend, on the other hand the fishing was not so great with Rick and Tony the only senior members to get a few small fish with the aid of a bit of berley, all weekend. One junior member out did everyone else, Dean landed a beautiful salmon weighing 1.78 kg uncleaned. Although hard to catch there are good fish out there. Another angler put on a fine display of angling for us as we were all packing up on the Sunday morning. He pranced down the beach, line spooling out by the second, a grin ear to ear and gumboots full of salt water, after a fair battle and a lot of cheering Johnno finally landed his foe. Unfortunately it was only a 1.5 mt long shovel nose stingray.

It's great to see the number of members attending the meeting of late, we had a record of 17 people at our last meeting. I would like to give a special thanks to Craig Gambetta for the increase, he has been sending out SMS messages to some members on a Wednesday before the meetings.

June Comp.

Results

Heaviest Fish:
Dean Magill - 1404 gram Salmon

NEXT COMP.

Where: Paynesville
Species: Bream
When: 13/14 July

Weigh-in: At the campsite at a time to be decided.

Prize: Heaviest Bream

August Comp.

Where: Sorrento
Species: All eligible saltwater fish.

Boat Licences: If you have not yet got a boat licence you have only got to February 2003 to get it. You are asked 30 questions of which you have to answer 26 correctly to pass. It costs $20.00 to book in and $25.00 per year for the licence of which you can take out a 1, 2, or 5 year licence

SGACA.
There has been no meeting since the last newsletter but on Sunday the 11th of August the SGACA will hold its annual competition on Andersons Inlet and the Venus Bay surf beaches. Areas to be fished are Andersons Inlet from the Tarwin River Road bridge and the Venus Bay Surf Beaches. Weigh-in will be at the Andersons Inlet Angling Club rooms on the Esplanade, Inverloch at 4:30 PM. Entry fee is $2.00 Senior and $1.00 juniors. Over the last couple of comps there has been some very good Salmon caught in the inlet.
